

FOR IMMEDIATE RELEASE:

Religious or Not, Choose the Right Words For Your Wedding Day.

SEATTLE, Wash. – “Do-It-Yourself Wedding Ceremony: Choosing the Perfect Words and Officiating Your Unforgettable Day” by Dayna Reid offers readers a wealth of information for engaged couples looking to create the perfect wedding ceremony. Reid aims to bring the focus back to the real purpose of a wedding, which, the author encourages, is not the cake, the dress or the centerpieces, but the sacred agreement between two people that defines their marriage.

In step-by-step, informative chapters, Dayna Reid describes the elements of a wedding ceremony from beginning to end, and the choices people can make with each element. “Sacred Ceremony” includes a wealth of wording and ceremony selections, to celebrate diverse styles, beliefs and traditions, from Christian to Zen, to the simple declarations of love that transcend tradition.

“In a welcome respite from the marriage-industrial complex, minister and officiant Reid takes the immensely practical tack of helping you select the right words for your wedding,” states Kirkus Indie Reviews, “...[and] keeps it sweet as the cake and smooth as the silk.”

Reid, an ordained officiant with more than a decade of experience discovered the few ceremony books available were written either in a particular style or from a specific religious view, offering limited variety.

“The words spoken during the wedding ceremony declare promises and beliefs about marriage,” says Reid. “Every couple should have the option to design a ceremony which reflects their unique and personal perspective and intentions.”

Some key information within the book:

- A large collection of spiritual and non-spiritual wording examples
- Several sample wedding and renewal ceremonies
- A worksheet to help easily compose the ceremony
- Instructions for obtaining a marriage license
